### **Test Riding Clinic with Angela Gladding (by Clare Goddard)**

Despite the weather having its own mini climate, the clinic went on! The facilities at Foxhills were brilliant and it was a relaxed afternoon where all members and friends enjoyed it. All riders had a chance to ride the test in front of the Judge then had a 25 minute lesson covering areas of improvement and how to get the best out of the test, before riding the test again. All the riders improved after the coaching! Angela had a fab time teaching and the riders found it very helpful. I am hoping to hold another clinic in the near future.

### **Area 17 BRC Summer Dressage Qualifier- 11th July (by Clare Goddard)**

What a day this was, The competition started with horizontal downpours of icy rain that only gave up around lunchtime, making the arenas less than ideal. All our riders came out and had a go none the less. Our Senior Prelim team had the worst going arenas but did very well and were just out of the placings coming equal 7th. The Senior Open team all did brilliant tests, with fab individual placings and came 2nd. We had two teams forward for the senior riding teams - NFPEC black team, made up of new riders to the teams, came a very respectable 4<sup>th</sup>, and the NFPEC Green team won! Finally the pairs, who had the best of the weather, won their class with a technical and well executed test. Full results listed below. A huge thank you to the volunteers and supporters who came to help and a massive congratulations to all riders who took part, they are going to be busy bees at Lincoln!
